

Registration of a Nonconforming Use Application Town of Eagle (Waukesha County), Wisconsin

Town of Eagle
820 E. Main Street
Eagle, WI 53119

Version: January 17, 2020

Overview: There may be now or in the future certain uses of land that are not in compliance with the Town's zoning regulations, but which were legally established. These uses are referred to as "legal nonconforming uses," and are allowed to continue to operate as set forth in Article 12 of the Town's zoning code. For this reason, it is necessary to document those uses that are considered legal nonconforming. Registration of a use as a nonconforming use provides documentary evidence establishing (1) when the use was first established; (2) that the use at the time of establishment was done consistent with the rules and regulations in effect at the time, if any; (3) that it has continued continuously, without cessation of more than 12 continuous months; and (4) the nature of the use. As part of its review, the Plan Commission may determine that the use was not legally established, was illegally expanded, or was legally established but has ceased to operate continuously.
