To whom might concern:

7/14/2024

Hello my name is Abel Cruz an I am the owner of Lawnforce LLC and we have been servicing the Oak Creek area for the last 10 years. We do not keep any materials like mulch, gravel or top soil, we are a maintenance company that keeps properties clean and mowed. We will be putting the pushers and couple of plows inside the fence area and pickup trucks will be in the parking spaces and skid steers will be inside the building or inside the fenced area depending on the season. I'm looking forward to move in to this building.

Thank you for your time,

Abel Cruz
