

**ARCHITECTURAL REVIEW BOARD
COVER SHEET**

4128 Hubertus Rd
Hubertus, WI 53033
Village Hall -
262.628.2260

Architectural Review Board approval is required for all additions and new buildings located in commercial, industrial, park and recreation, multi-family, and institutional zoning districts. If the project described in the site plan application does not apply to these areas, this section of the application process can be bypassed. Architectural approval is part of the site plan approval process. Approval must be granted by the Architectural Review Board prior to Plan Commission review.
