Hi Diane

I just checked in with the County to see where there were in their review. They expect to have their preliminary review completed within a couple of weeks, but not in time for the Towns December 4 meeting submittal deadline. Since the Town prefers to have preliminary county comments prior to consideration, I plan to place it on the following months meeting agenda.

In order to do so, I do need to request a 45-day extension from you as the current review deadline will expire prior to the January meeting date.

You can grant the extension via a reply to this email.

Please let me know if you have any other questions or concerns, your cooperation is greatly appreciated.
