Ending Address:		Parcel #:	
Building Length:	Building Width:	Building Height when Loaded:	Style (ranch, 2 story, etc.):

Type of Move: House Garage Other _____

Route to be Taken:

Move Date: _____

Requirements:

1. The movement of the building must be continuous from start to completion.
2. Application must notify the inspector within 1 day after the move.
3. Applicants must repair any damage to the streets caused by the move.
4. A Building Permit, in addition to this moving permit, is required for any repairs, improvements and remodeling, including plumbing, electrical and heating. (A plan for such modification must be submitted prior to the issuance of the Building Permit).
5. The structure will be altered, as far as practicable, to comply with the Town Building Code and Wisconsin Uniform Dwelling Code.
6. The house will not be occupied until an inspection has been made which finds no code non-compliance that could affect health or safety.
