SUBJECT: Certified Survey Map Review – Andrew and Deanna Haver

Dear Commission Members:

We have received and reviewed the referenced Certified Survey Map (CSM). Our comment and recommendation is as follows:

1. Town of Trenton Ordinance 350-17 B. (10)
 - a. Show existing and proposed contours.

Per Town ordinances, the contours requirement on a Certified Survey Map can be waived.

The parcels in question are already existing and the only change is to adjust the property lines, so a waiver would be appropriate. Zoning Administrator recommends approval of the CSM as presented.

We recommend that this Certified Survey Map be approved upon inclusion of the above comment into revised Certified Survey Map.

Sincerely,

A handwritten signature in blue ink, appearing to read "David L. Koslo".
